Levá strana: 1 ks

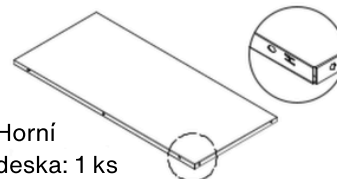

Pravá strana: 1 ks

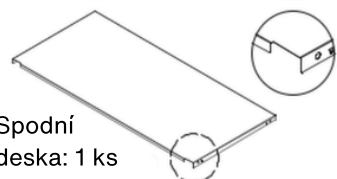

Rám dveří: 1 ks

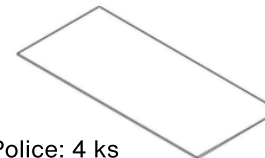

Zadní deska: 1 ks

Horní deska: 1 ks

Spodní deska: 1 ks

Police: 4 ks

Kolečka: 4 ks (výška 70 mm)

Samořezné šrouby (5x10): 33 ks

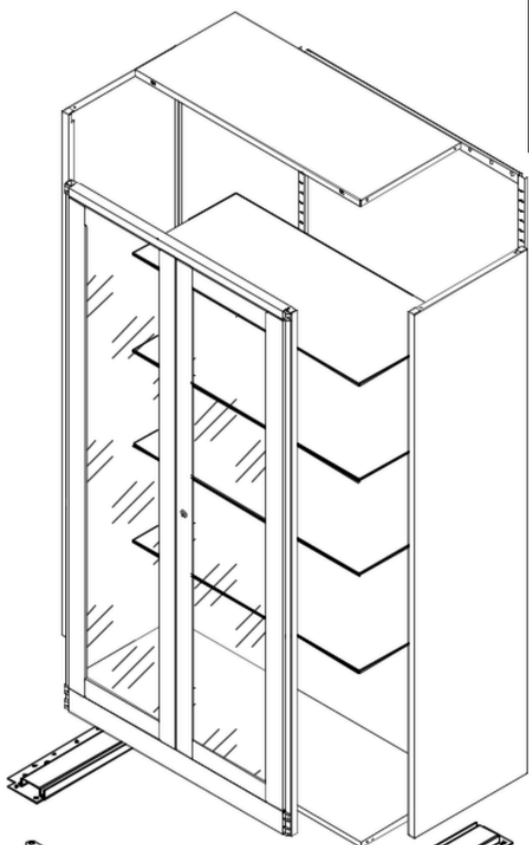

Držáky polic: 19 ks

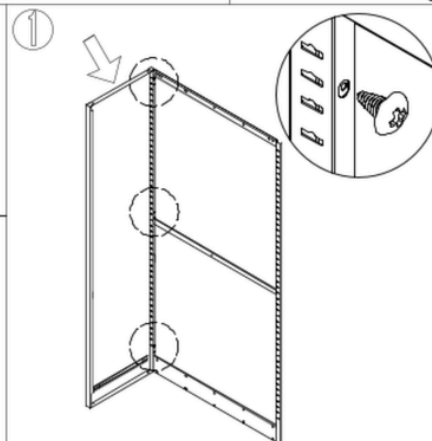

Šrouby: 16 ks

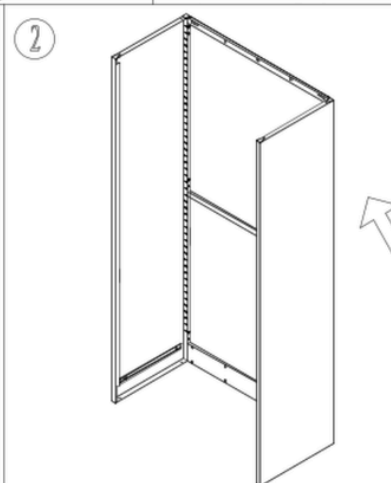

Klíč: 1 sada

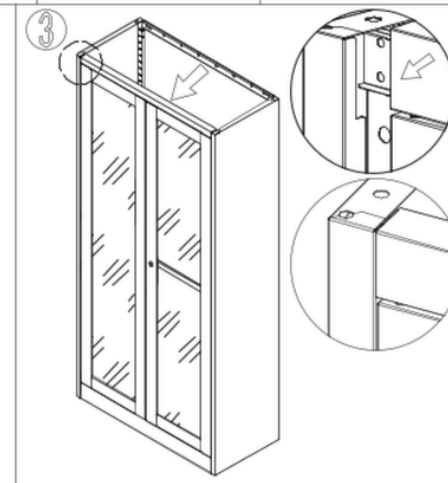

Levá spodní vložka: 1 ks  
Pravá spodní vložka: 1 ks

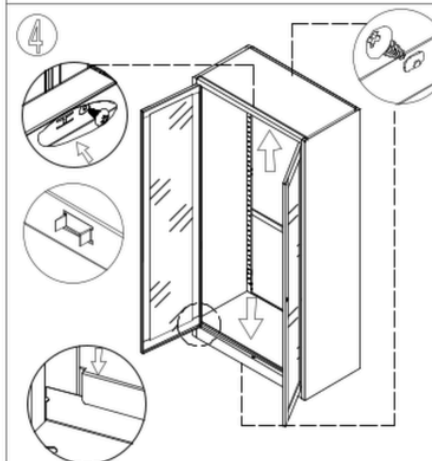

Připevněte levou stranu k zadní desce pomocí samořezných šroubů (5x10).

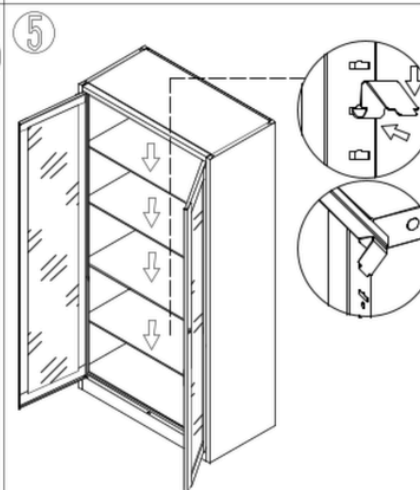

Stejným způsobem připevněte pravou stranu k zadní desce.

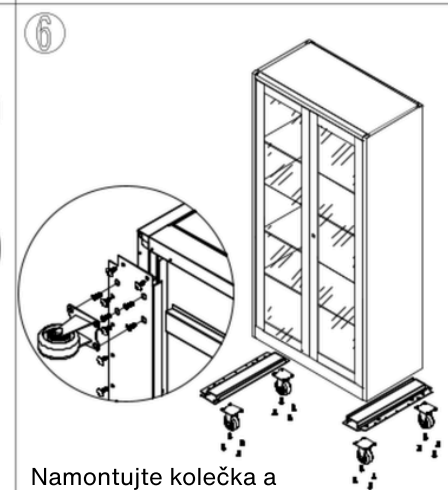

Připevněte rám dveří k oběma bočním deskám.

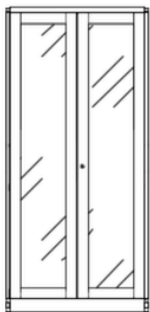

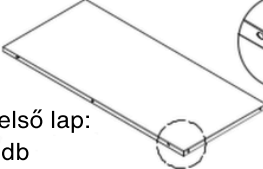

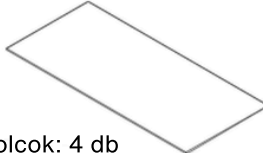

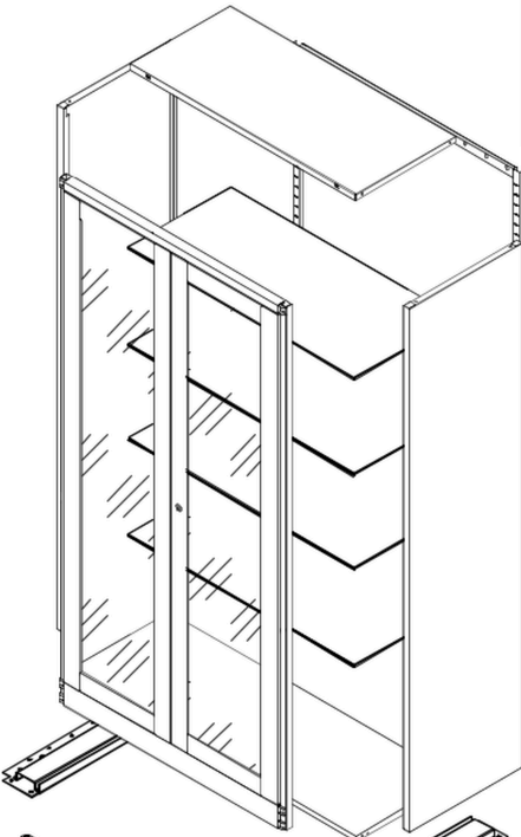

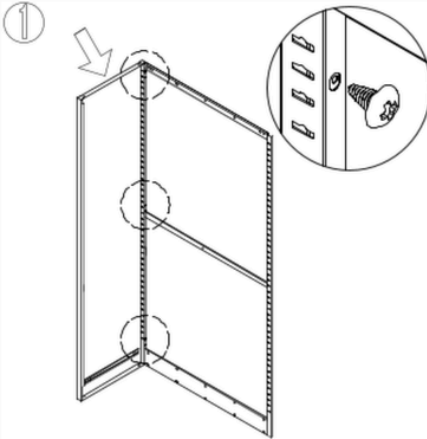

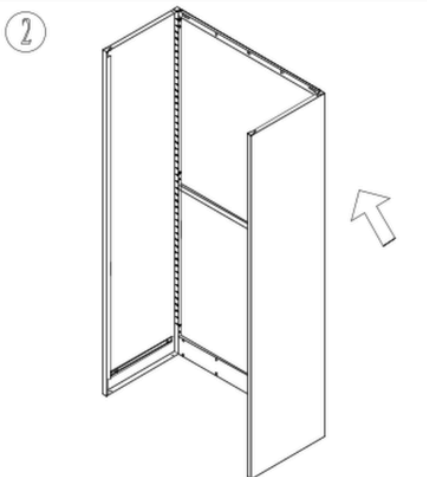

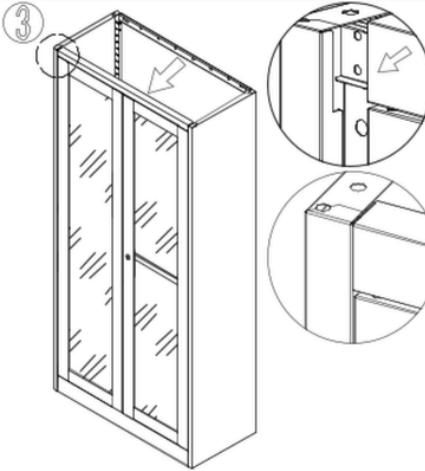

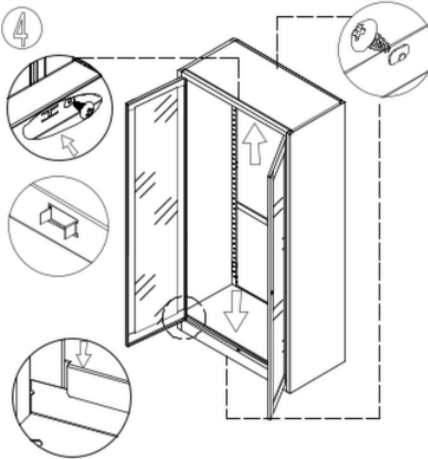

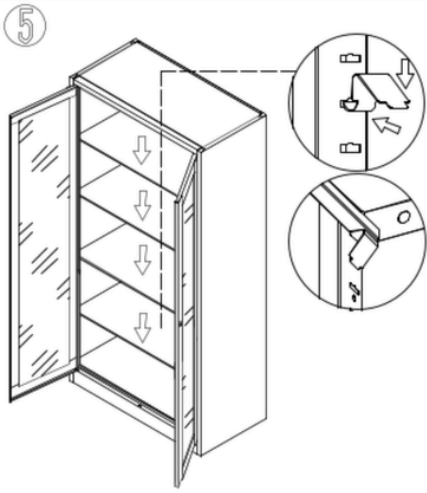

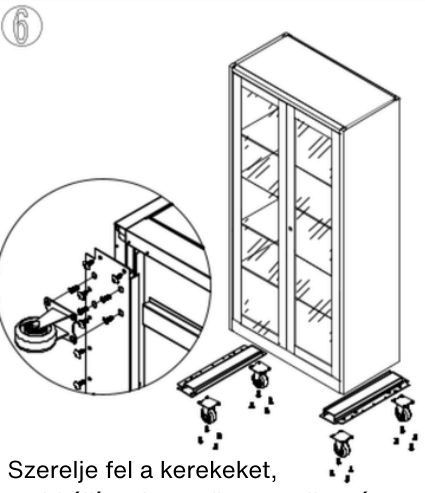

Namontujte horní a spodní desku.

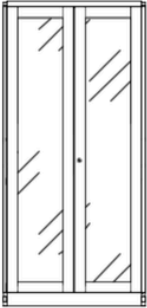

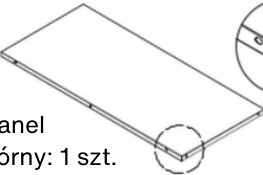

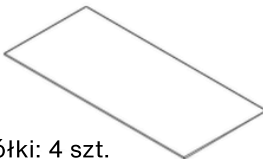

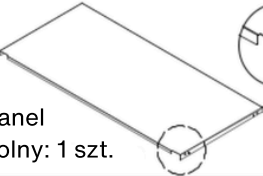

Namontujte police.

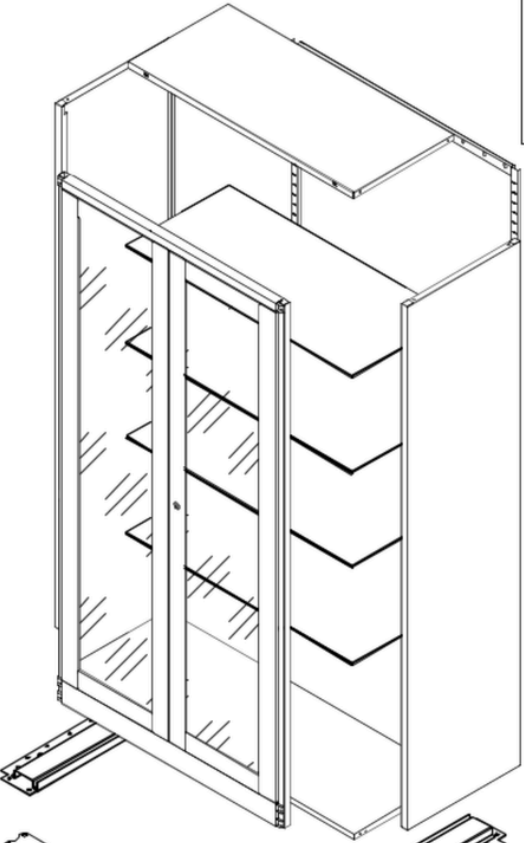

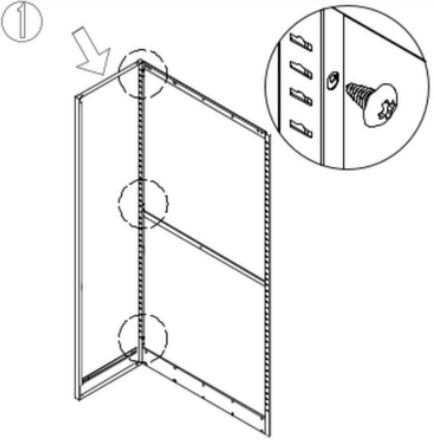

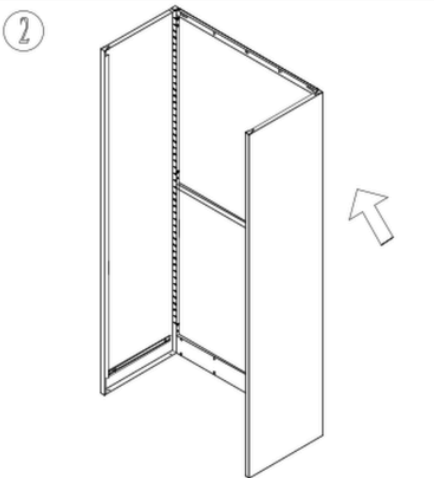

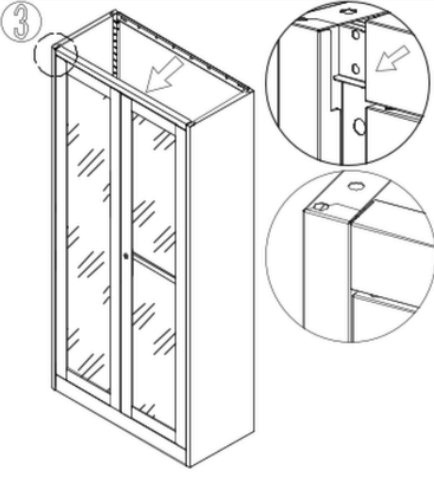

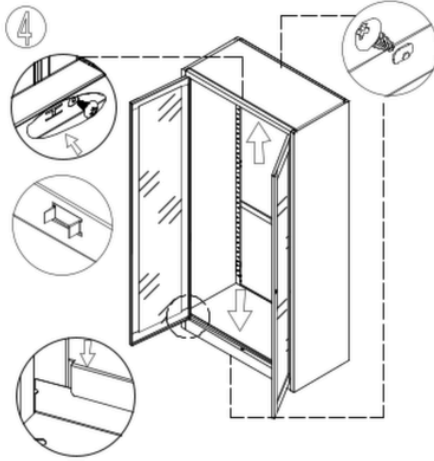

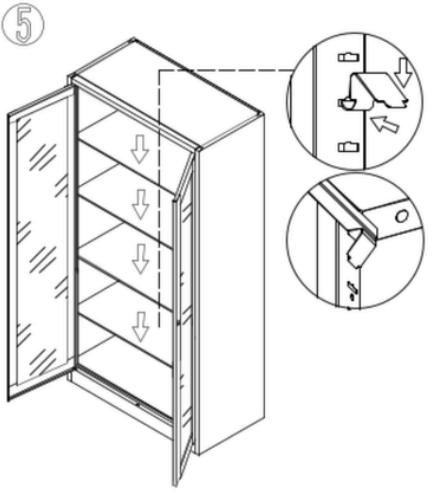

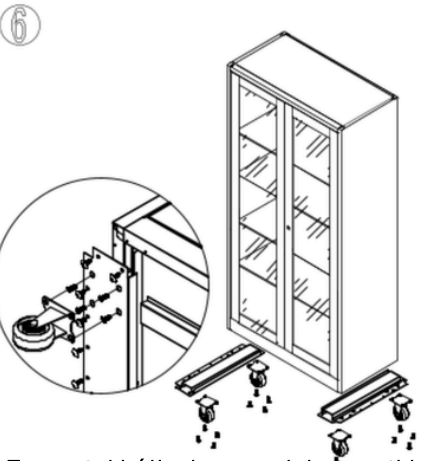

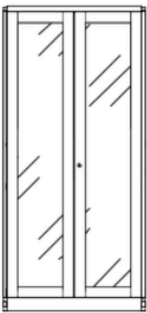

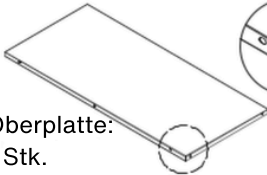

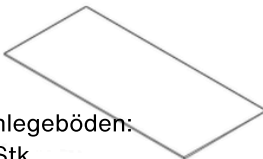

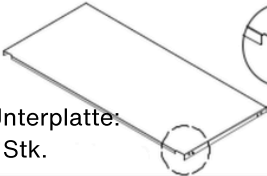

Namontujte kolečka a upravte jednotlivé části tak, aby po montáži vše správně sedělo.

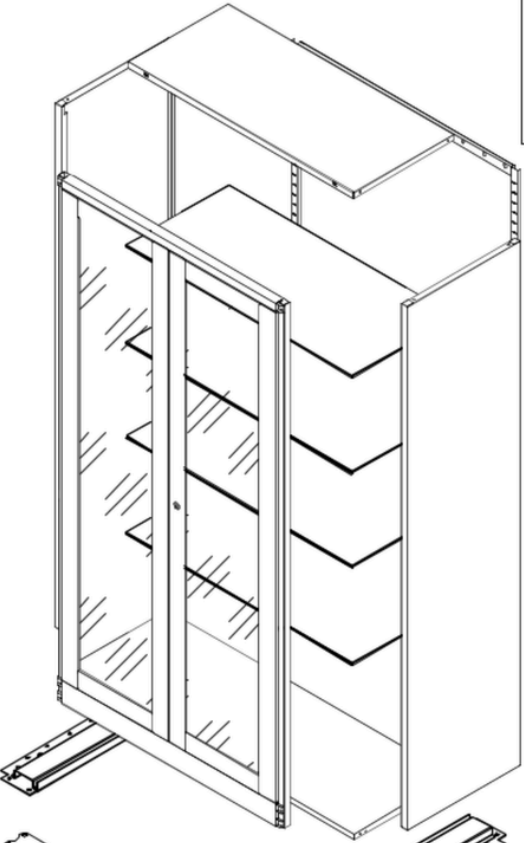

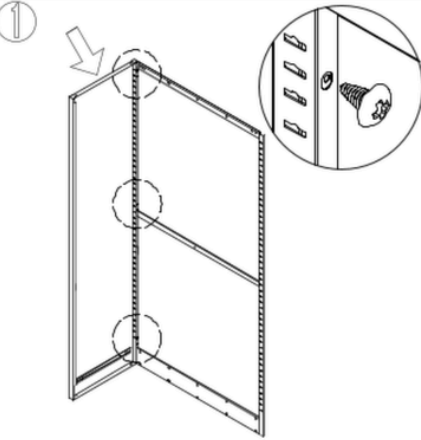

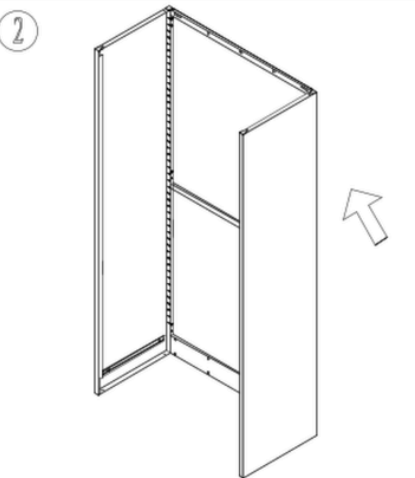

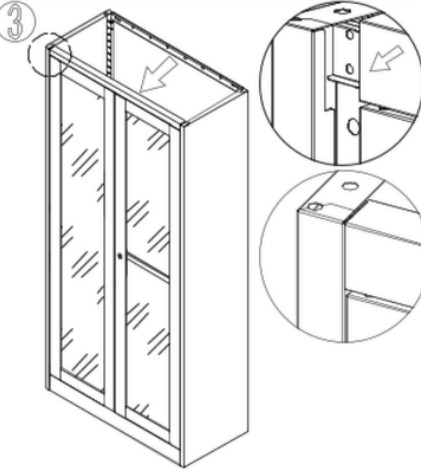

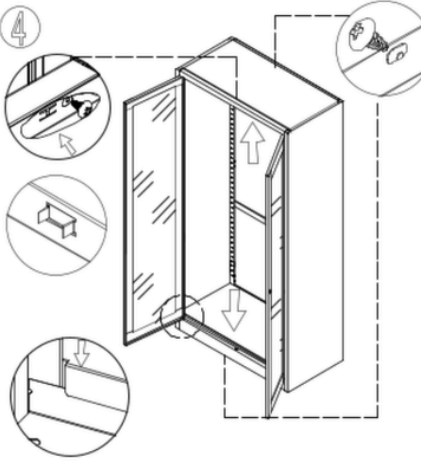

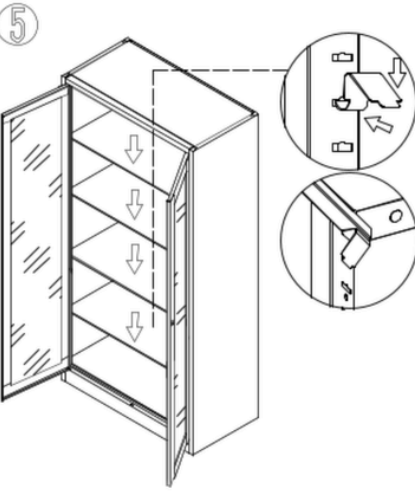

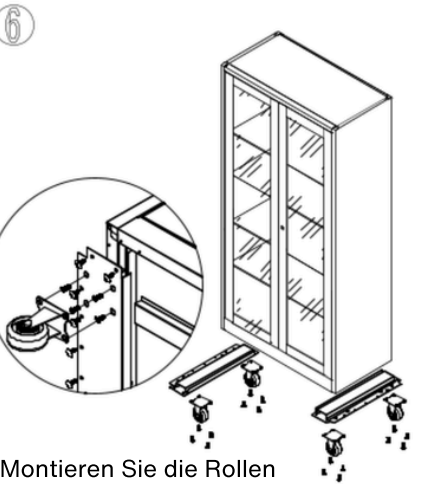

|                                                                                                                                    |                                                                                   |                                                                                                                                                         |                                                                                    |                                                                                                                                                                                                    |                                                                                                                     |                                                                                                                                        |                                                                                                            |

Fixez le côté gauche au panneau arrière à l'aide de vis autotaraudeuses (5x10).

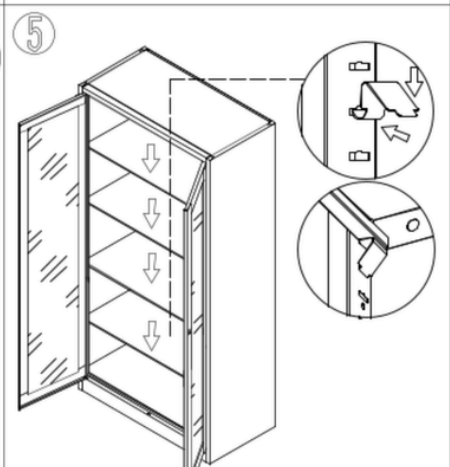

Fixez le côté droit au panneau arrière de la même manière.

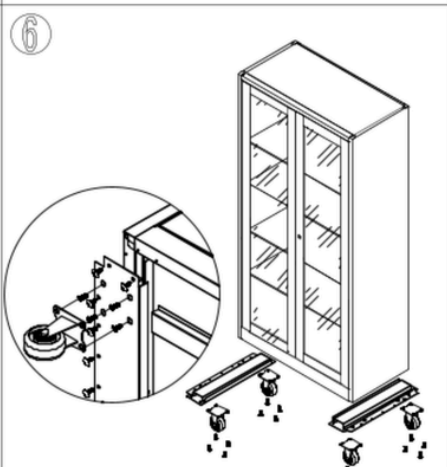

Fixez le cadre de porte aux deux panneaux latéraux.

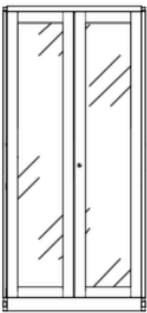

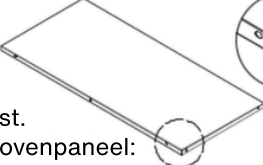

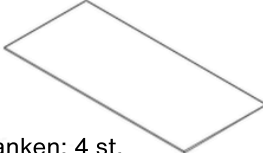

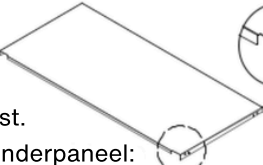

Installez le panneau supérieur et le panneau inférieur.

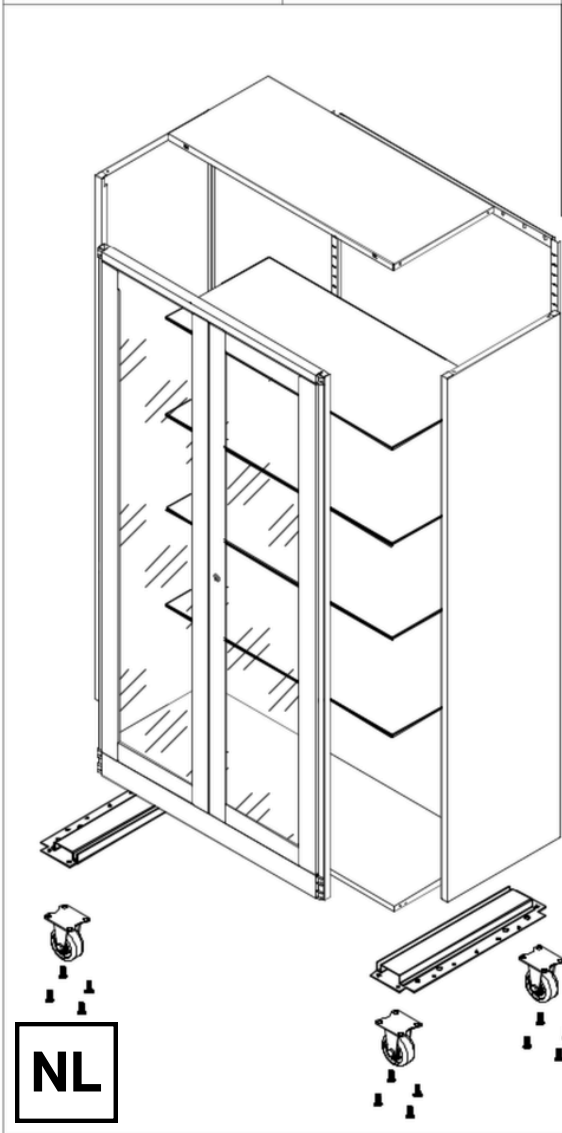

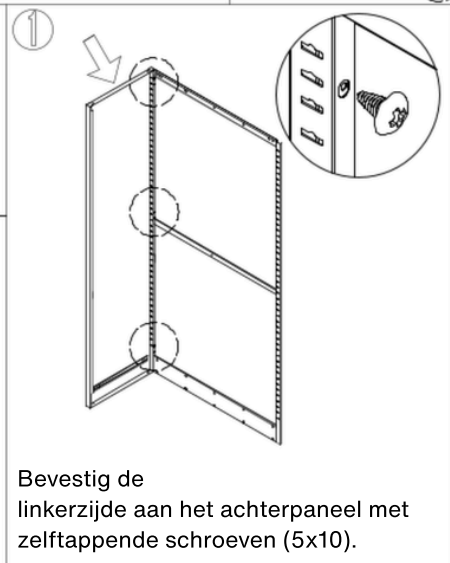

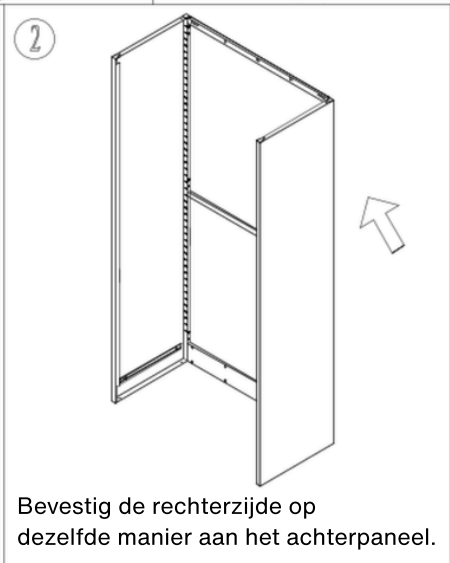

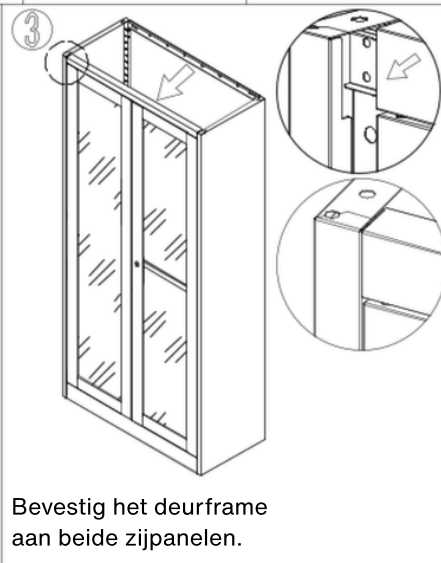

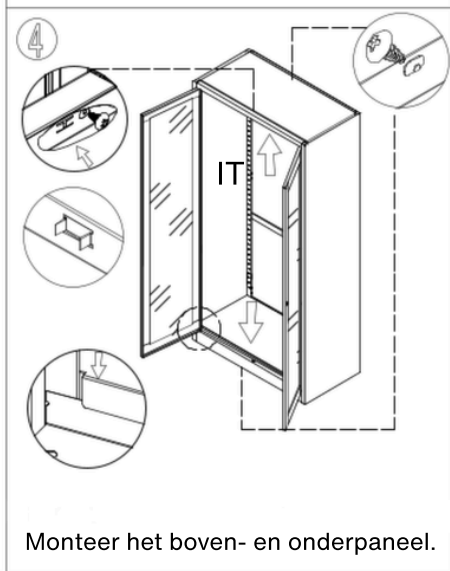

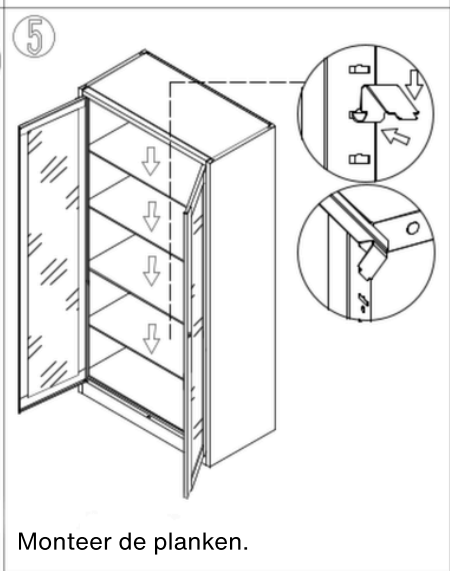

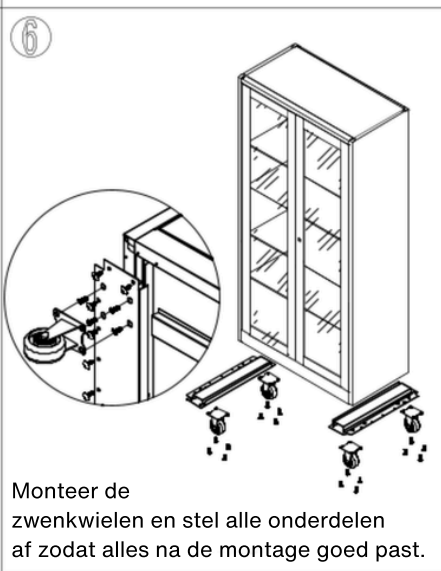

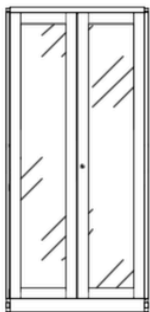

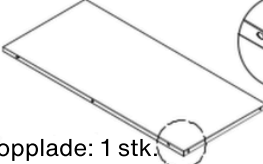

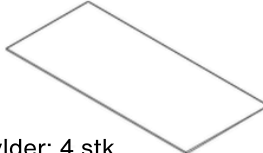

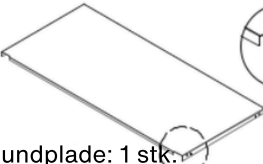

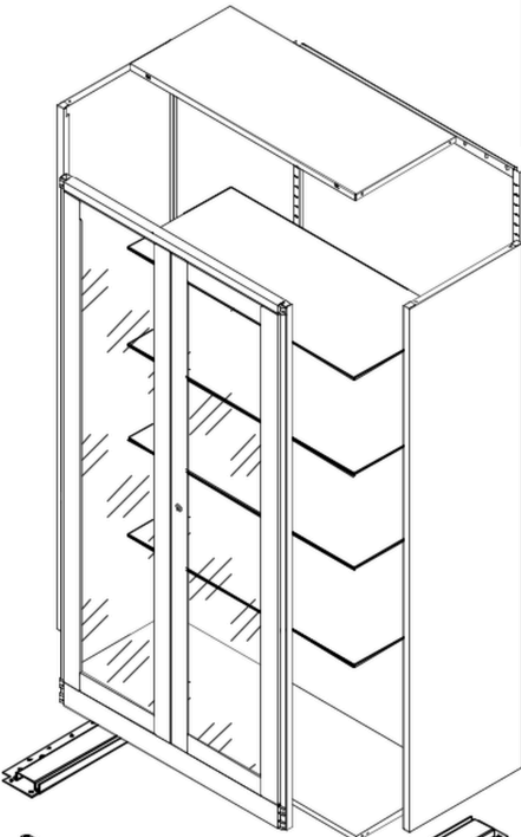

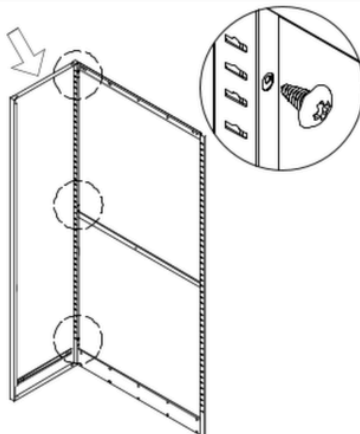

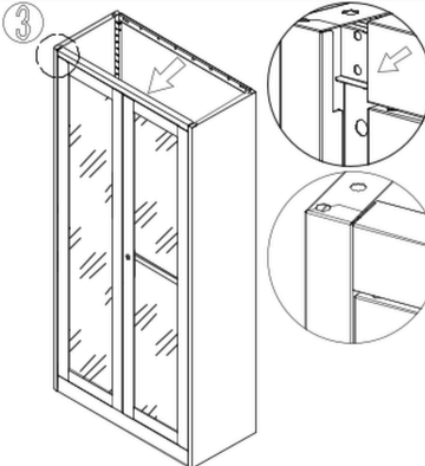

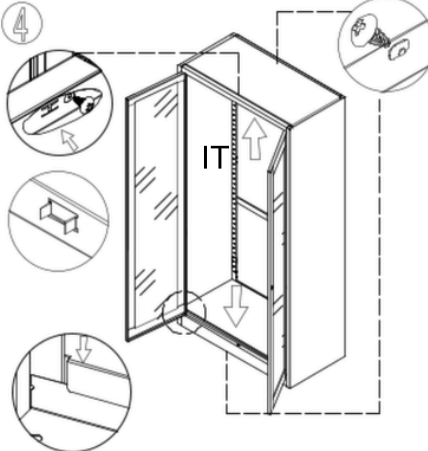

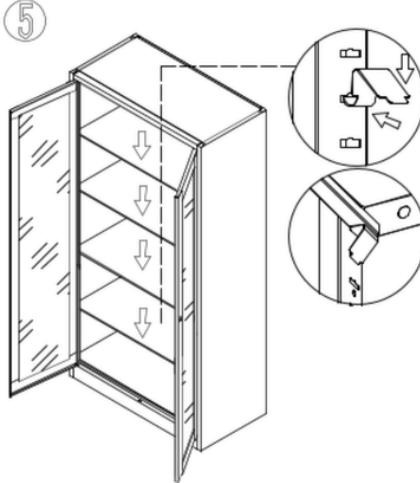

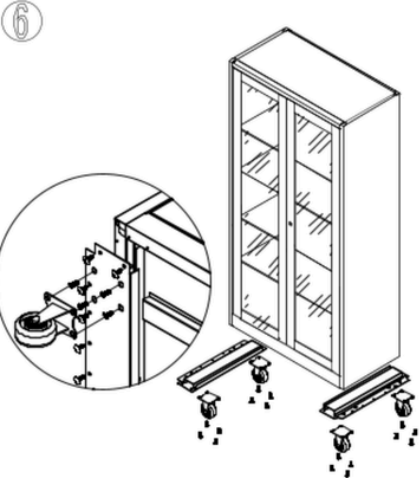

Installez les étagères.

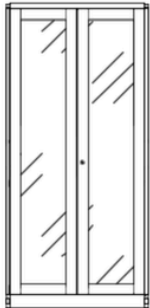

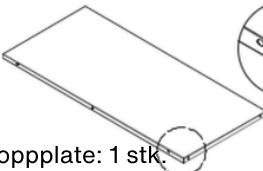

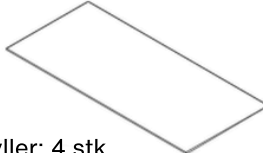

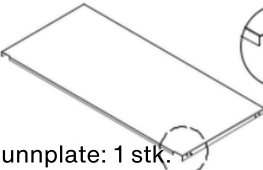

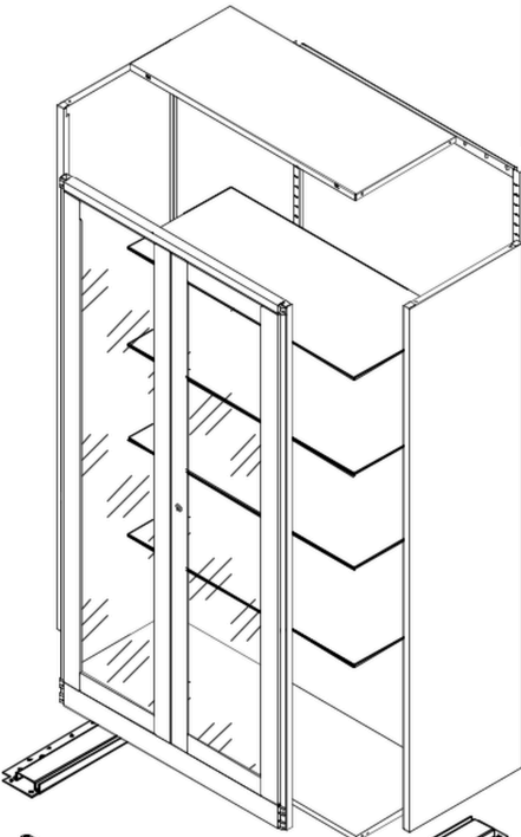

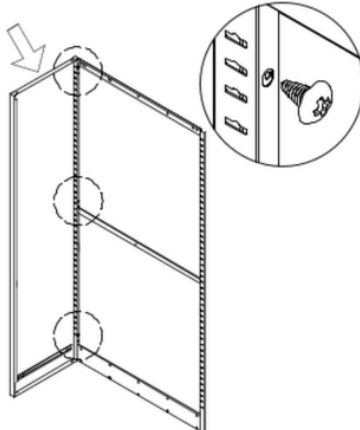

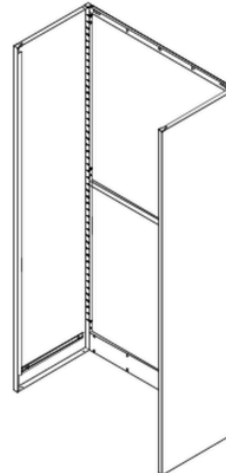

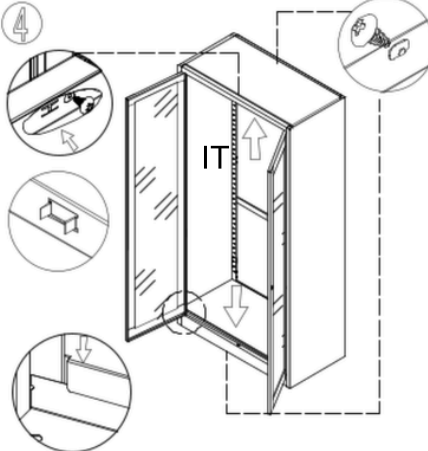

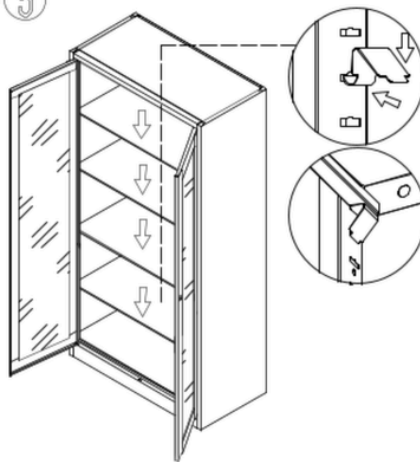

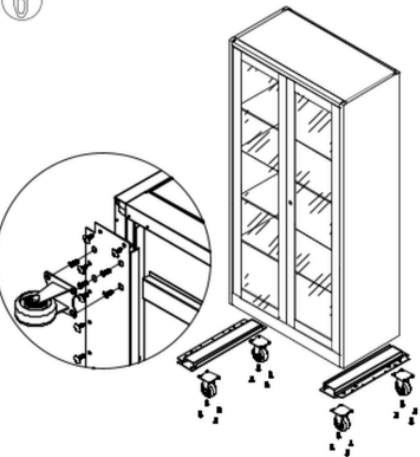

Installez les roulettes et ajustez toutes les pièces afin qu'elles s'adaptent correctement après le montage.

Kiinnitä vasen puoli takalevyyn itsekierteittävillä ruuveilla (5x10).

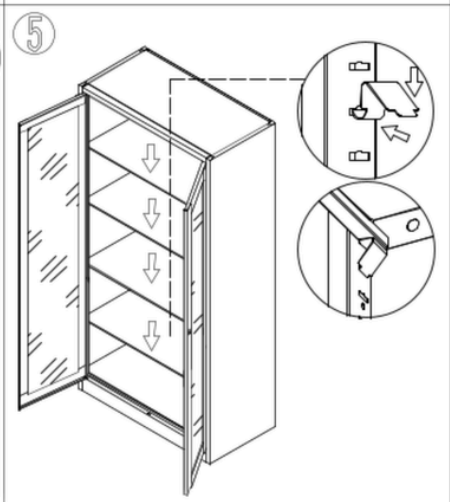

Kiinnitä oikea puoli takalevyyn samalla tavalla.

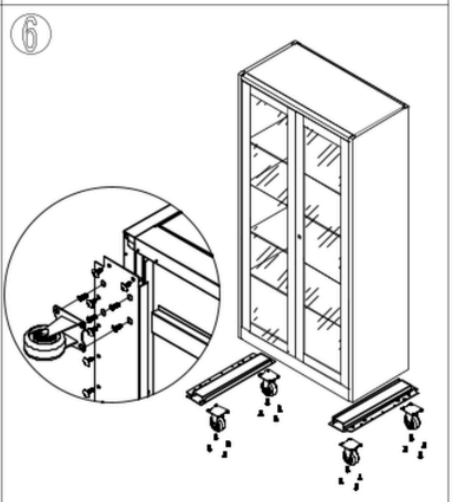

Kiinnitä oven kehys molempiin sivupaneeleihin.

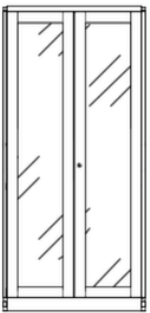

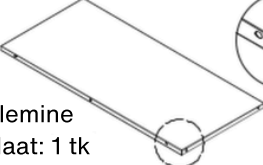

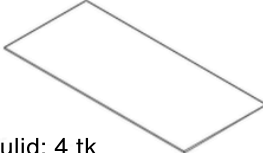

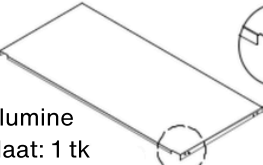

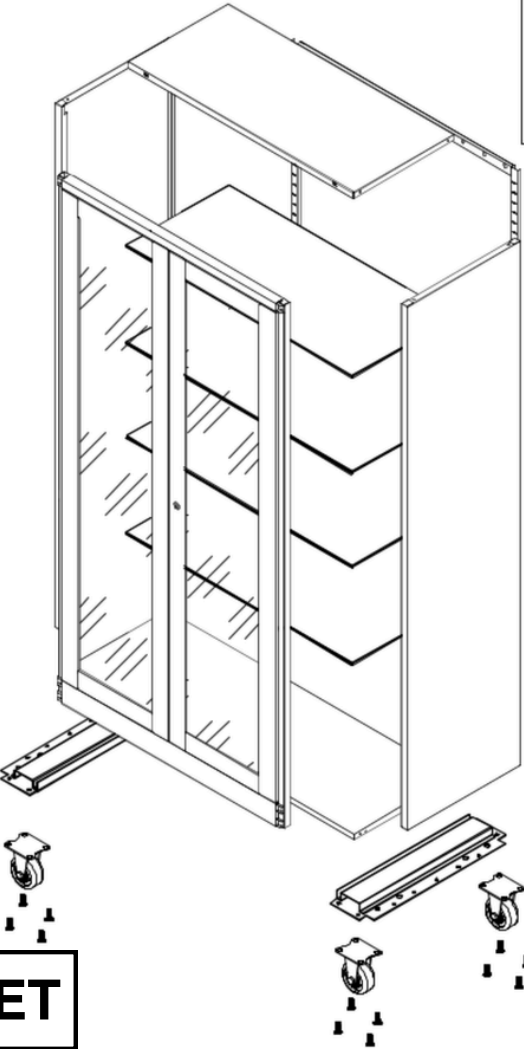

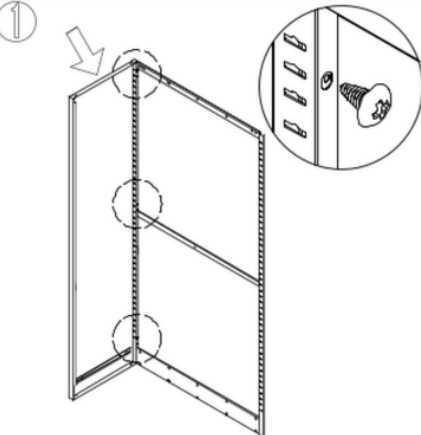

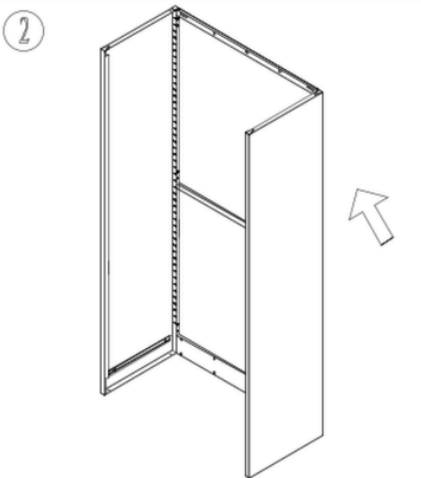

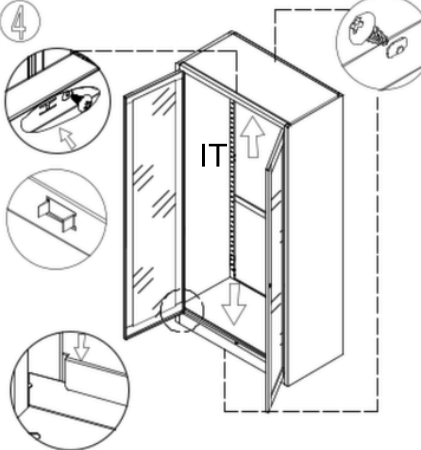

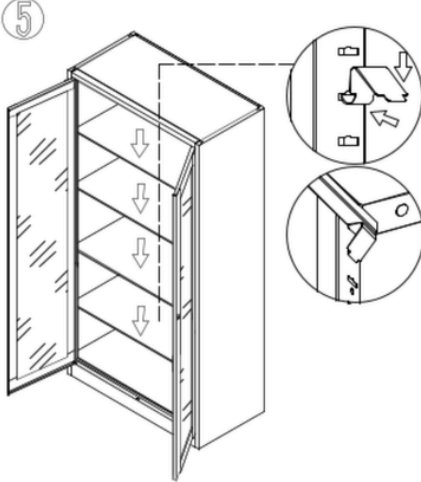

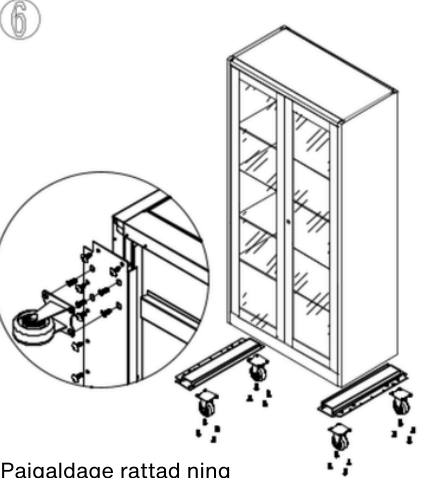

Asenna ylä- ja alalevy.

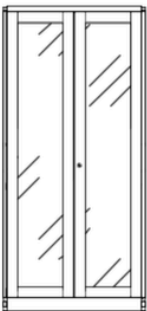

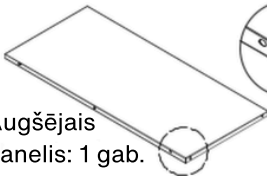

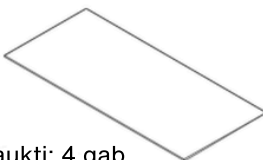

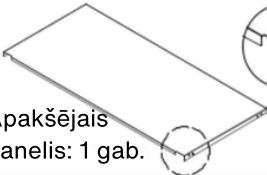

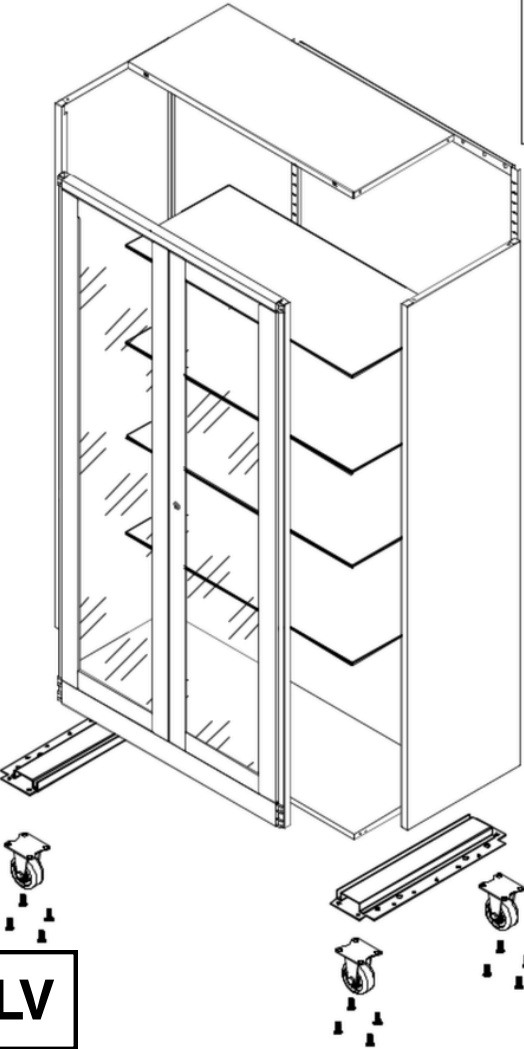

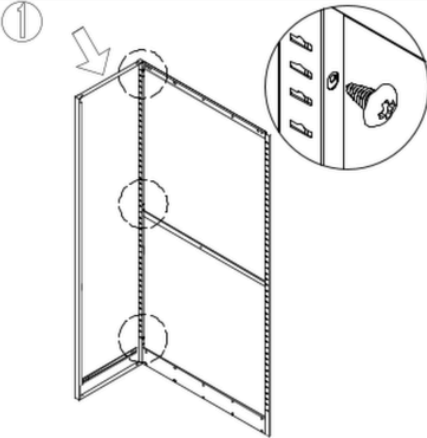

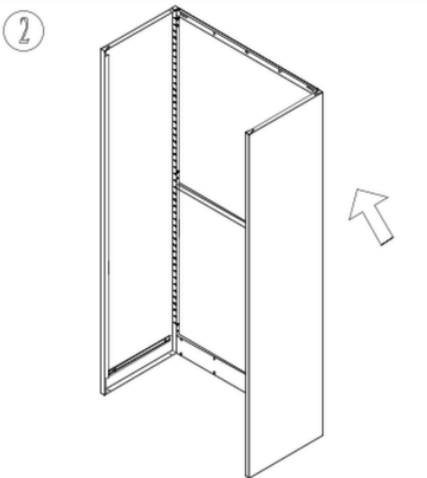

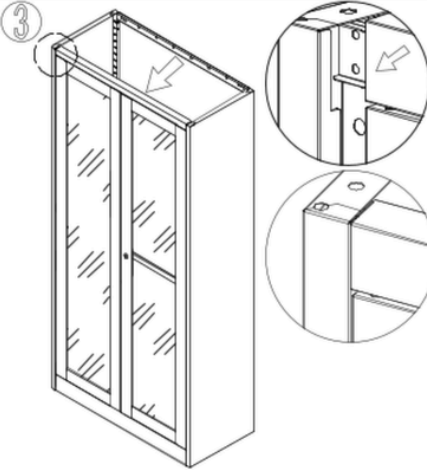

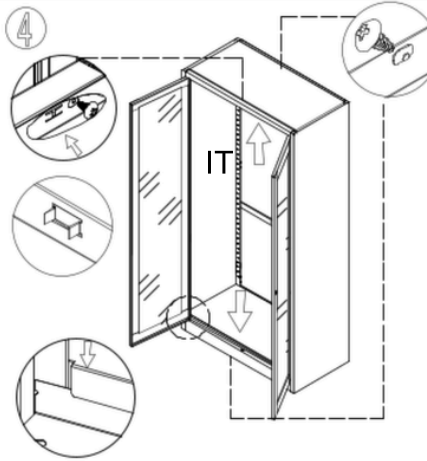

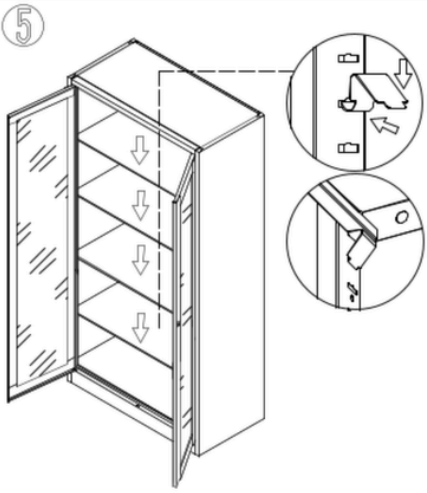

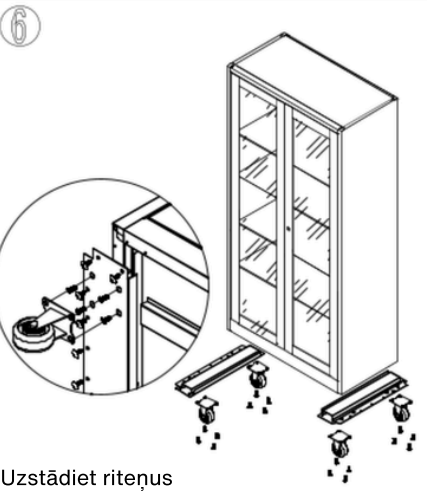

Asenna hyllyt.

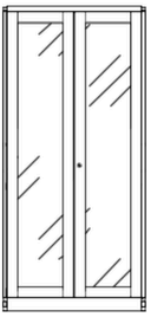

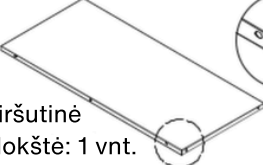

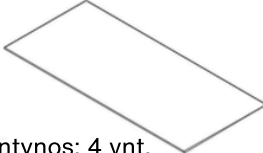

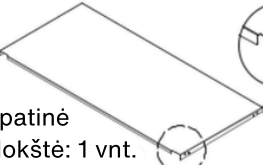

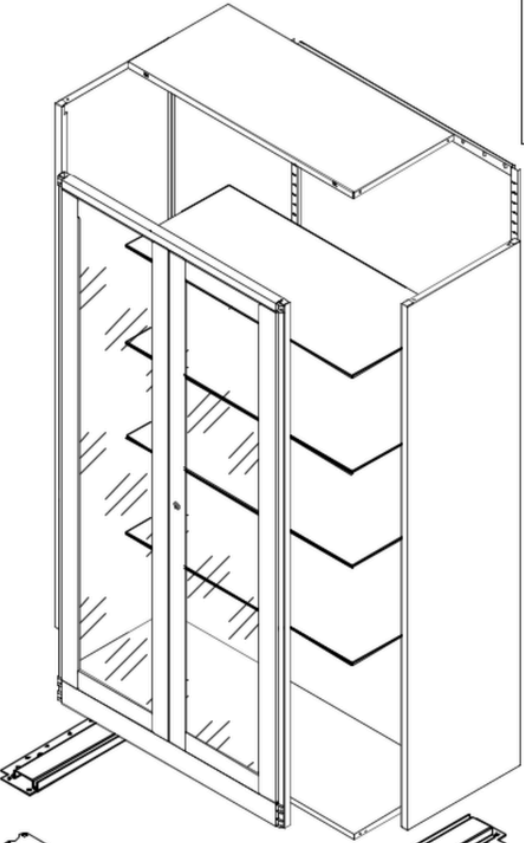

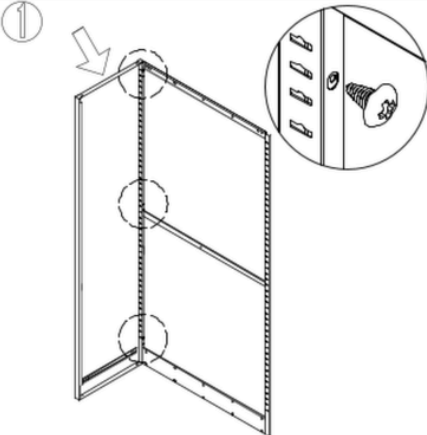

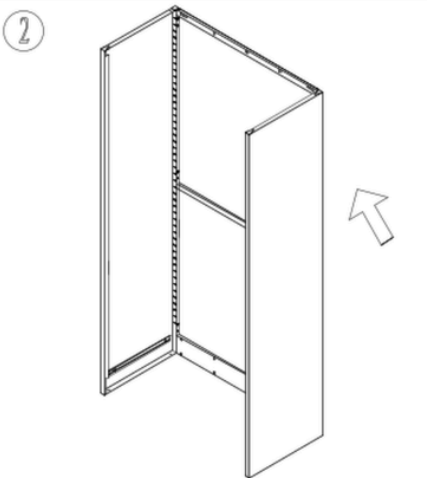

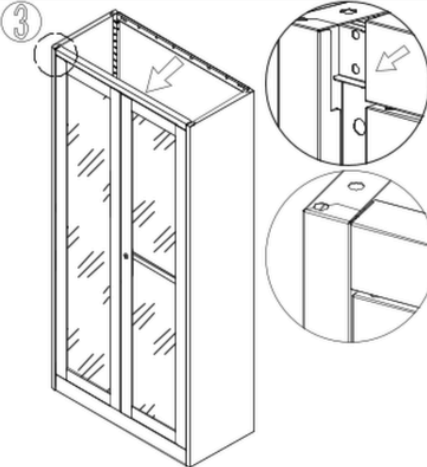

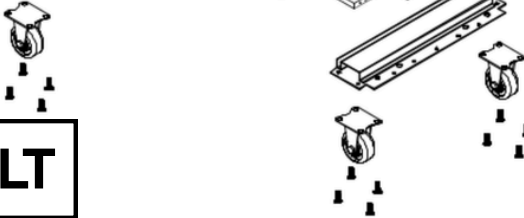

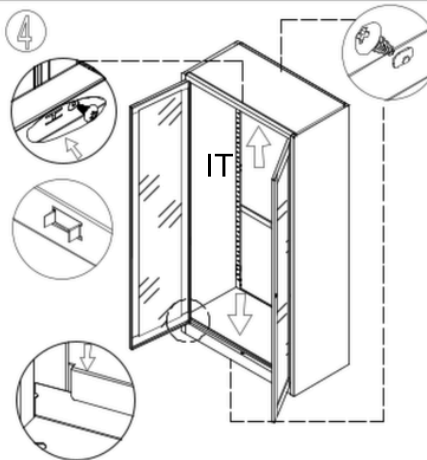

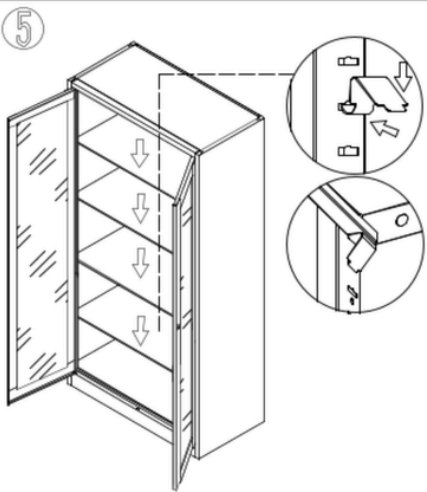

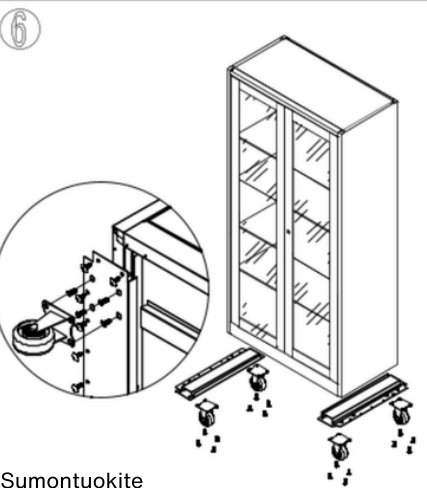

Asenna pyörät ja säädä kaikki osat niin, että ne sopivat oikein asennuksen jälkeen.
